Dear New Jersey Thoroughbred Breeder:

For the first time in history, New Jersey will be offering the highest purses in the nation. Breeders' awards for 2008 and 2009 have been paid in full. Out of state breeders' awards also will be paid between December 2010 and May 2011. Finally, Monmouth Park will hold two and half restricted races per day throughout the length of the meet.

Why did this happen?

The Thoroughbred Breeders' Association of New Jersey working together with the New Jersey Thoroughbred Horsemen's Association decided it was time to try something new for 2010...an innovative and cutting-edge approach to invigorate thoroughbred breeding and racing in our State. It is the hope of racing and breeding enthusiasts that 2010 will prove once and for all that thoroughbred horseracing is a sport that can thrive and prosper.

To say the least, getting this done wasn't easy. It required multiple conversations, negotiations, TBANJ Board approval, NJTHA Board approval, Racing Commission approval and finally and most importantly, enabling legislation signed into law supported by the Governor and the Legislature....all before the start of the Monmouth meet on May 22<sup>nd</sup>.

Now, it is time to say thank you to those organizations and people that made this happen by supporting our public affairs' effort by contributing to ThoroPAC.

ThoroPAC is the political action committee of the New Jersey Thoroughbred industry. It is the vehicle we use to educate decision makers on the importance of racing and breeding to the State's economy and quality of life.

The TBANJ is a full partner in our public affair's effort. As a result, we are asking our members to send a BREEDERS/OWNERS contribution of \$300.00 or a TRIPLE CROWN CLUB contribution of \$500.00 to ThoroPAC.

Please help the TBANJ say thank you for the efforts made on our industry's behalf by submitting your check to ThoroPAC in care of: Mike Campbell, Executive Director, Thoroughbred Breeders' Association of New Jersey, 265 Highway 36, Suite 1R, West Long Branch, New Jersey 07764. Thank you!
