

# QUESTION: WHEN IS WINNING \$36,000 BETTER THAN WINNING \$60,400?

# ANSWER: NEVER.

Which is why breeding in New Jersey makes so much sense. And if you want proof, take a look at the accompanying chart. It shows an actual example of how, with our attractive package of bonuses and awards, a Jersey-bred earned nearly double the winner's share for an out-of-state thoroughbred in the same open race. Isn't it time you took advantage of the solid earnings opportunities available only to New Jersey breeders.
