New Jersey Racing Commission Rule 13:70-6:53 (b)

2. "New Jersey stallion" is a stallion resident and standing in the State of New Jersey the full breeding season, commonly understood to be the period from February 1 through July 1 of the subject year. If a stallion is brought into New Jersey subsequent to the start of the breeding season, he may be approved as a "New Jersey stallion" by the New Jersey Racing Commission upon recommendation of the Board of Trustees of the Thoroughbred Breeders' Association of New Jersey provided that he stands and is a resident in New Jersey for the remainder of the breeding season. For those stallions brought into New Jersey subsequent to the commencement of the breeding season, approval by the Thoroughbred Breeders' Association of New Jersey as a "New Jersey stallion" is only for the period from the date of approval through the end of the breeding season. All "New Jersey stallions" must be registered with the Thoroughbred Breeders' Association of New Jersey and all appropriate fees paid prior to February 1 of the breeding season or, in the case of a stallion entering the State subsequent to the start of the breeding season, prior to serving the first mare. Failure to meet the above criteria solely by reason of death of the stallion does not disqualify said stallion as a "New Jersey stallion."
